

Decimal Place Value Chart

Write one digit in each box and keep every number lined up on the decimal point. Places to the right of the point are tenths, hundredths and thousandths.

WHOLE NUMBERS					DECIMALS		
THOUSANDS	HUNDREDS	TENS	ONES	.	TENTHS	HUNDREDTHS	THOUSANDTHS
1,000	100	10	1	.	0.1	0.01	0.001

Decimal Practice

Write each decimal in words and in expanded form, then round it to the nearest tenth.
