

Teaching Philosophy Statement

Plan first: for each part, write what you believe and one real moment from your classroom that shows it. Then write the statement on page 2.

NAME		GRADE LEVELS AND SUBJECTS		DATE
MY PHILOSOPHY IN ONE SENTENCE				
PART	ASK YOURSELF	WHAT I BELIEVE	CLASSROOM EXAMPLE	
What I Believe About Learning	How do students learn best? What does real learning look like in your room?			
My Role as a Teacher	Are you a coach, a guide, a model? What do your students need most from you?			
How I Teach	Which methods do you use most, and why do they work for your students?			
How I Know Students Are Learning	How do you check understanding and give feedback? What counts as success?			
How I Keep Growing	What are you working on now? Who and what do you learn from?
